

Name: cel-R-IE

Security Clearance: R

Service Group: Central Processing Unit (CPU). CPU is the bureaucracy that keeps Alpha running smoothly. They are the administrators, the secretaries, and the record-keepers from all over the Complex.

Party Role:

Mutant Power: None

Secret Society: Vegetarian. The Computer's factory farming practices have gone far enough. The Computer has it within its power to produce meat without the need for torture, so why does it persist? Perhaps this is the result of Commie Mutant Traitor sabotage...

Secret Mission: Successfully prevent meat from being consumed as a part of the Mission. *(Real-life meat eaten out-of-game should offend you, but doesn't result in a failure of your secret mission.)*

Name: cam-R-UH

Security Clearance: R

Service Group: Housing Preservation and Development and Mind Control (HPD & MC). These guys build back up what the Armed Forces break. They are responsible for keeping Alpha Complex clean and tidy, and running smooth.

Party Role:

Mutant Power: None

Secret Society: The Shredded Tape. Bent on utter obscurity, the lone motive of the Shredded Tape is to stamp out all knowledge of their own existence. Because they're watching us. Man.

Secret Mission: Prevent any records kept of the mission from being remotely accurate.
